## Landscape Watering

**Learn how to make every drop count!**

Join us for an introduction to innovative water-saving MP-Rotator sprinklers & drip irrigation solutions. Learn about system automation with valves, timers, rain sensors & the new smart self-adjusting controllers. This class will teach you how to plan your own efficient irrigation system. This new technology can help us conserve more than half of the water we use in the landscape!

**Saturday mornings 10 am**

2010 dates: April 10, May 15, June 12, July 17, August 14

**At the San Francisco store**

The store is located in the Sunset, cross street 40th Avenue with on-street parking. Muni L-Taraval to 40th.

**Classes are free, but seating is limited**

Please reserve your seat by calling the store or by e-mail to [sfclasses@urbanfarmerstore.com](mailto:sfclasses@urbanfarmerstore.com). For driving directions or to register online visit [urbanfarmerstore.com](http://urbanfarmerstore.com).
